

§ 330.605

for agency vacancies, and how to request CTAP selection priority.

§ 330.605 Agency responsibilities for deciding who is well-qualified.

(a) An agency must define what constitutes a well-qualified candidate for its specific vacancies, consistent with this subpart, and uniformly apply that definition to all CTAP eligibles being considered for the vacancy.

(b) An agency must conduct an independent second review and document the specific job-related reasons whenever a CTAP eligible is determined to be not well-qualified under the agency's definition. The agency must give the CTAP eligible the written results of this review as required by § 330.608(e).

§ 330.606 Minimum criteria for agency definition of "well-qualified".

(a) At a minimum, the agency must define "well-qualified" as having knowledge, skills, abilities, and/or competencies clearly exceeding the minimum qualification requirements for the vacancy. The agency definition may or may not equate to the highly or best qualified assessment criteria established for the vacancy; however, the agency definition of "well-qualified" must satisfy the criteria in paragraph (b) of this section.

(b) Under an agency's definition of "well-qualified," the agency must be able to determine whether a CTAP eligible:

(1) Meets the basic eligibility requirements (including employment suitability requirements under part 731 of this chapter and any medical qualifications requirements), qualification standards (including minimum educational and experience requirements), and any applicable selective factors;

(2) Is physically qualified, with or without reasonable accommodation, to perform the essential duties of the position;

(3) Meets any special qualifying conditions of the position;

(4) Is able to satisfactorily perform the duties of the position upon entry; and

(ii) Rates above minimally qualified in the agency's rating and ranking process.

§ 330.607 Applying CTAP selection priority.

(a) An agency must not place any other candidate from within or outside the agency into a vacancy if there is an available CTAP selection priority candidate, unless the personnel action to be effected is an exception under § 330.609.

(b) In accordance with the conditions of part 300, subpart E, of this chapter, an agency may not procure temporary help services under that subpart until a determination is made that no CTAP eligible is available.

(c) CTAP selection priority applies to a vacancy that:

(1) Is at a grade or pay level with a representative rate no higher than the representative rate of the grade or pay level of the CTAP eligible's permanent position of record;

(2) Has no greater promotion potential than the CTAP eligible's permanent position of record;

(3) Is in the same local commuting area as the CTAP eligible's permanent position of record;

(4) Is filled during the CTAP eligible's eligibility period; and, if applicable,

(5) Is filled under the same excepted appointing authority as the CTAP eligible's permanent position of record if the CTAP eligible is an excepted service employee and the agency CTAP provides selection priority in the excepted service.

(d) An agency may take actions under § 335.102 of this chapter to place a permanent competitive service employee into a vacancy if there are no CTAP eligible employees in the local commuting area or if no CTAP eligibles apply for the vacancy.

(e) An agency component may place a component employee within the local commuting area in the vacancy after the component applies CTAP selection priority to its employees.
